

ABOUT US

Over a decade of history, SALOG has evolved from a traditional International freight forwarder to a leading global provider of innovative and fully integrated supply chain solutions especially on Aviation, Aerospace and Defense Logistics. SALOG has grown into one of the world's leading logistics providers. Our key business activities and market position are built on the company's truly world class capabilities.

SALOG

SALOG is one of the Major **Global Player in terms of** Aviation, Aerospace and Defence forwarder in this industry and we are financially strong, stable and independent. Our global logistics network, cutting-edge IT systems, in-house expertise and excellent customer service is proof of our dedication to be the market leader. These attributes have placed us at the forefront of our industry, and positioned us to continue increasing the scope of our customer solutions and services.

STRATEGIC SUSTAINABILITY AND CLIENT SATISFACTION

Our strong foundation, our ambition is to be among the most sustainable companies in the Global market, with close links between business strategy, brand value and sustainable activities which is also door opening opportunity for difference business verticals. We have executed trial shipments to our new client and they are very well satisfied with our services, supply commitment and competitive pricing with quality products - even during lockdown imposed due to Covid-19 pandemic.

SALOG

CLIENT ENQUIRY AND RATE SUBMISSION

SALOG received an inquiry from client on November 6, 2023, and subsequently expedited the issuance of a quotation to Client on that precise day.

On November 16, 2023, SALOG received explicit approval from Client to proceed with the shipment.

CRANE ARRANGEMENT

Upon receiving confirmation from the Client, SALOG communicated on November 16, 2023, instructing the arrangement of a 50-ton crane for loading facility and subsequent offloading at DMM Airport.

AWB/ FLIGHT SCHEDULE

SAUDI ARAMCO- CI & PL.pdf

SALOG delivered the AWB to Client on November 19, 2023 via mail. Post-AWB submission, Client promptly provided SALOG with the invoice and packing list on November 20, 2023.

Upon Client's request, SALOG provided the final flight schedule on November 21, 2023, in response to inquiry about the flight schedule date.

CRANE OBSTACLE

 \checkmark

The shipment was directed to DMM airport on 23/11/2023 by the shipper. Nevertheless, SAL encountered hindrances in unloading the shipment due to a scarcity of crane equipment.

OFFLOADING AT DMM AIRPORT

 \checkmark

However, swift resolution ensued as the shipper, on November 24, 2023, arranged for a crane, resulting in the successful offloading of the shipment at DMM Airport.

SALOG successfully received the shipment at DMM Airport on 25/11/2023 & efficiently executed its delivery to Airlines within the same operational day.
