

SALOG

Our Commitment to Excellence

CUSTOMER  
SATISFACTION

We strive for excellence and a great customer experience by delivering high class logistics services

EMPLOYEES

We encourage our employees to pursue continuous learning and development

QUALITY  
MANAGEMENT

We base our work on a global integrated QSHE management system ensuring continuous improvement and identify and remedy sources of error

COMPLIANCE

We ensure that all our employees at all levels comply with applicable laws and act according to our Code of Conduct and QSHE Targets

SAFETY & HEALTH

We do not compromise on safety and health for any party involved in our daily business activities

RESPONSIBILITY

We manage economic, social and ecological issues in a responsible manner to comply with relevant laws, industry regulations and company standards

GLOBAL

We are committed to teamwork and global collaboration in a spirit of trust, mutual respect and inspiration

RISK MANAGEMENT

We systematically strive to manage all risks facing people, the environment, property and supply chain by using set standards and systems

PASSION

We deliver service excellence for our customers, and we do it with passion and fun
